C. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public.

(If any time is lost, the member of the force shall be compensated). When it arises out of a work situation or police matter, interrogation shall be handled on Borough time.

(2) The interrogation shall take place at a location designated by the Chief. Usually it will be at Police Headquarters or the location where the incident allegedly occurred.

STATE HEALTH BENEFITS PROGRAM

PLAN COMPARISON SUMMARY

LOCAL GOVERNMENT EMPLOYEES

EFFECTIVE JANUARY 1, 2019

The Plan Comparison Summary provides a way for employees to compare the benefits of the medical plans offered by the State Health Benefits Program (SHBP). If you are new to the SHBP, or a member who is considering a different medical plan, the Plan Comparison Summary is a useful resource for selecting a plan. For members who want to know more about their current plan, the Plan Comparison Summary is a quick reference to the services offered.

The following sections summarize plan designs and general policies of the SHBP. Inside, the comparison chart summarizes the benefits each plan provides for specified services.

MEDICAL PLANS

Local Government employees are offered the choice of a Preferred Provider Organization, with two options known as NJ DIRECT10 and NJ DIRECT15 (administered by Horizon Blue Cross Blue Shield of New Jersey), and two HMO plans — Aetna HMO and CIGNA HealthCare.

All of the medical plans are managed care plans, meaning that they provide coverage for preventive care such as annual checkups and screening tests, well-baby visits, and immunizations, in the hope of avoiding serious illness and more costly treatment.

NJ DIRECT10 and NJ DIRECT15 provide both *in-network* and *out-of-network* medical care. Under NJ DIRECT10 and NJ DIRECT15, members may see any physician, nationwide, and do not need to select a Primary Care Physician (PCP) for in-network care.

In-network care is provided through a network of providers that includes internists, general practitioners, specialists, pediatricians, and hospitals.

No referrals are needed for visits to a specialist. If the physician participates in the Horizon BCBSNJ Managed Care Network, the member only pays the appropriate copayment. Members living outside of New Jersey can utilize physicians participating in the national Blue Cross Blue Shield Network. In-network hospital admissions are also covered in full.¹

If the physician does not participate in the Horizon BCBSNJ Managed Care Network or the national network, the services will be considered *out-of-network*. Contact your doctor to see if he or she participates in the Horizon BCBSNJ Managed Care or national network. To find current participating physicians contact Horizon BCBSNJ directly. Plan telephone numbers and Web site addresses are listed on the comparison charts.

Out-of-network benefits provide reimbursement for eligible services rendered for the treatment of illness and injury. Most out-of-network care is reimbursed at a percentage of "reasonable and customary" allowances after a member's annual deductible is met. Out-of-network hospital admissions are subject to a separate deductible.

NJ DIRECT10 and NJ DIRECT15 include annual maximum out-of-pocket amounts. This means that when a member's, or family's, out-of-pocket maximum is reached, covered benefits are paid at 100 percent of the allowance through the remainder of the calendar year.²

Aetna HMO and CIGNA HealthCare have expanded networks that provide services nationwide. When you enroll in an HMO you must select a Primary Care Physician (PCP) from a group of participating providers contracted by the HMO.

(continued inside)

¹ Certain in-network covered benefits require 10% member copayment.

² Certain services may require pre-certification from Horizon BCBSNJ. Services that require a pre-certification, but are not pre-certified, will be paid at out-of-network benefit levels and will not count towards out-of-pocket maximums.

—All services, except emergencies and as indicated on the enclosed comparison chart, are coordinated through your PCP. If you require the care of a specialist, your PCP will refer you to a specialist who participates in the HMO network. Electronic referrals are used by the HMOs and, therefore, no paperwork is required. Specialist services rendered without a valid referral, or by a provider who does not participate in the HMO (except for emergencies), will not be paid by the HMO.

HMOs have no deductibles (except for durable medical equipment) or claim forms to file, however, you are required to pay a copayment for visits to your PCP or a referred specialist. There are no out-of-network benefits, or out-of-pocket maximum amounts under an HMO plan.

If you are considering an HMO, contact your doctor's office to see if they participate in the HMO you have selected. To find current participating physicians, contact the HMO directly. Plan telephone numbers and Web site addresses are listed on the comparison charts.

DEFINITIONS

A copayment is the fee paid by the member to the in-network physician at the time covered services are rendered.

Coinsurance is the portion of the eligible charge that is the member's responsibility for out-of-network and some in-network services (durable medical equipment and ambulance). When utilizing out-of-network providers, charges above the "reasonable and customary" allowance are the member's responsibility but are not considered "coinsurance" for the purposes of out-of-pocket maximums.

Pre-certification requires that the member (or the treating physician/facility) receive prior authorization from the medical plan to determine medical necessity before certain services are provided. Some examples of services that require pre-certification are inpatient admissions, reconstructive procedures, durable medical equipment purchases, specialty pharmaceuticals, hospice, and home health care. A detailed list is available from your medical plan.

DUAL HMO ENROLLMENT IS PROHIBITED

State statute specifically prohibits two employees/retirees who are both enrolled in the SHBP or School Employees' Health Benefits Program (SEHBP) and who are married to each other, civil union partners, or eligible domestic partners from enrolling under both of the SHBP/SEHBP HMO plans. One member may belong to an HMO as an employee or as a dependent but not as both.

For example, if two members are married to each other, each may enroll for single coverage under each of the HMOs, or one member can enroll the other as a dependent under an HMO if the other person enrolls in NJ DIRECT10 or NJ DIRECT15.

Furthermore, two members cannot both cover the same children as dependents under both of the HMO plans.

In cases of divorce, dissolution of a civil union or domestic partnership, or single parent coverage of dependents, there is no coordination of benefits under two HMO plans.

AUDIT OF DEPENDENT COVERAGE

Periodically, the Division of Pensions and Benefits performs an audit using a random sample of members to determine if dependents are eligible under plan provisions. Proof of dependency such as a marriage, civil union, or birth certificate is required. Coverage for ineligible dependents will be terminated. Failure to respond to the audit will result in the termination of dependents from coverage and may include financial restitution for claims paid.

HEALTH CARE FRAUD

Health care fraud is an intentional deception or misrepresentation that results in an unauthorized benefit to a member or to some other person. Any individual who willfully and knowingly engages in an activity intended to defraud the SHBP will face disciplinary action that could include termination of employment and may result in prosecution. Any member who receives monies fraudulently from a health plan will be required to fully reimburse the plan.

PRESCRIPTION DRUG COVERAGE FOR LOCAL GOVERNMENT EMPLOYEES

Employers have the option of providing the Employee Prescription Drug Plan, or another non-SHBP drug plan, as a separate prescription drug benefit.

If no separate prescription drug plan is provided, prescription drug coverage will be determined by the medical plan in which the member is enrolled as noted below.

DENTAL COVERAGE FOR LOCAL GOVERNMENT EMPLOYEES

Employers have the option to offer the Employee Dental Plans, or another dental plan, as a separate dental benefit. If provided by your employer, the Employee Dental Plans offer two basic types of plan: the Dental Expense Plan, and a selection of Dental Plan Organizations (DPOs). For more information, see the *Employee Dental Plans Member Handbook* which is available from the Division of Pensions and Benefits on our Web site at: www.state.nj.us/treasury/pensions/

If your employer offers another dental plan, contact your benefits administrator for plan information.

CONTINUED COVERAGE FOR CHILDREN AGE 23 THROUGH 31

Coverage for a dependent child ends on December 31 of the year in which the child turns age 23. When a covered child turns age 23, you will receive a COBRA notice outlining the right to purchase continued health coverage for up to 36 months. However, under the provisions of Chapter 575, P.L. 2005, a child who is under age 31, may be eligible for continued medical and prescription drug coverage at a lesser cost than COBRA. See Fact Sheet #74, *Health Benefits Coverage of Children Until Age 31*. Continued dental and vision coverage may be available under COBRA. If a covered child is not capable of self-support when he or she reaches age 23 due to mental illness or incapacity, or a physical disability, the child may be eligible for a continuance of coverage. A *Continuance for Dependent with Disabilities* form and proof of the child's condition must be submitted no more than 31 days after the date that coverage would end. Since coverage ends on December 31 of the year the child turns 23, you usually have until January 31 to file the form. See Fact Sheet #51, *Continuing Health Benefits Coverage for Our Age Children with Disabilities*.
